HIGH-COST VOICE BROADCASTING IS HISTORY!

Imagine a service that helps you send automated phone messages to customers, students, parents, employees, partners, voters, members and more in seconds! Now imagine paying as little as 3 cents per call! No, that's not a misprint- as low as *THREE CENTS!*

High Volume Data is included

- **You can broadcast your messages to the US or to anywhere else in the world**
- **You do not require additional hardware, software or phone lines**

Fire Up Your Phone Room Today

Sample US PushOne™ Broadcast Pricing Table	
PushOne™ Broadcast Volume	US
50000-99999	\$0.04
100000-249999	\$0.0375
250000-499999	\$0.035
500000-999999	\$0.0325
1000000+	\$0.03
* Includes 1 FREE minute for your broadcasting message. Additional broadcasting minutes used during calls are billed @ 1.5 cents/each for US. Call us for pricing to international destinations.
