Fire Up Your Phone Room Today

HIGH-COST VOICE BROADCASTING IS HISTORY!

Imagine a service that has your phones ringing with qualified customers, where all you have to do is close the sale. Now imagine paying as little as **\$0.50 per call!** No, that's not a misprint- not 5 dollars- as low as **FIFTY CENTS!**

Features that are tough to find **at any price:**

- Spanish or English Database
- Featured Targeted Databases
- Professional Voice Consulting

Sample US PushOne™ Pricing Table		
PushOne™ Volume	US*	PR*
0-2500	\$2.50	\$3.00
2500-5000	\$1.00	\$1.50
5000-10000	\$0.75	\$1.25
10001-25000	\$0.70	\$1.20
25001-50000	\$0.60	\$1.06
50001-100000	\$0.50	\$1.00

* Additional voice minutes used during transferred calls are billed @ 1.5 cents/each for US and 2.5 cents/each for PR
